

MOAB

VIRTUAL COURSES

MOAB® presents principles, techniques, and skills for recognizing, reducing, and managing violent and aggressive behavior. The program also provides humane and compassionate methods of dealing with aggressive people. MOAB® techniques provide research-based nonverbal, verbal, and physical skills, as well as personal defense and safety skills. MOAB® goes beyond the strategies for preventing and diffusing a crisis. It addresses the multitude of crises and stages of conflict to help calm people, diffuse anxious or aggressive behavior, avoid violence and injuries, and create confidence and the ability to improve any situation and minimize or eliminate lawsuits.

Class size limited to 20 individuals.
